### 1) Personal Information:

- **Name:** Mohammad Ranjbar

- **Birth date:** March 21, 1983

- **Birth place:** Kerman, Iran

- **Marital Status:** Married, 2 children

- **Institution:** Shahid Sadoughi University of medical sciences, Yazd, Iran.

- **Work address:** Department of Health Services Management, School of Public Health,  
Shahid Sadoughi University of medical sciences, Shohadaye gomnam Bolv, Alem  
Square, Yazd, Iran.

- **Email:** [ranjbar3079@gmail.com](mailto:ranjbar3079@gmail.com) / [m.ranjbar@ssu.ac.ir](mailto:m.ranjbar@ssu.ac.ir)

- **Phone:** 0098-913-4520115

**\*\*\*Ranked the top student in the PhD exam entrance in 2011(Iran)**

**\*\*\*Selected as talent and being honored by minister of health (Iran, 2012)**

## 2) Academic Qualifications

- Ph.D. in Health Policy, Department of Healthcare Management and Economics, Tehran University of Medical Sciences. Tehran, Iran, 2015.
- MSc in Health Services management. Department of Healthcare Management and Economics, Tehran University of Medical Sciences. Tehran, Iran, 2008.
- BSc in Health Services management, Department of Healthcare Management, Kerman University of Medical Sciences. Kerman, Iran, 2006.

## 3) Job & Experiences

### 3.1) Scientific Positions:

- Since 2020: Employment as associate professor in department of health services management, School of public health, Shahid sadoughi university of medical sciences, Yazd, Iran.
- Since 2015 -2020: Employment as assistant professor in department of health services management, School of public health, Shahid sadoughi university of medical sciences, Yazd, Iran.
- Since 2008-2011: Employment as faculty member in department of health services management, School of public health, Shahid sadoughi university of medical sciences, Yazd, Iran.

### 3.2) Professional/Managerial experiences and positions:

- Executive Dean of Health policy and management research Center, Shahid Sadoughi University of Medical Sciences, 2011 -current.
- Research Advisor to General Director of Yazd Health Insurance organization, 2015- current.
- Head of the Planning and Evaluation Group of Research Centers and Activities. Deputy of research and technology, Shahid Sadoughi University of Medical Sciences, 2017 -current.
- Director of Yazd Health think tank. 2016 -2020.
- Member of scientific committee of “social determinants in health (SDH) research center”, Shahid Sadoughi university of medical sciences, 2021-current
- Member of scientific committee of Iranian national medical students’ Olympiad, 2012-current
- Member of the “Yazd Health think tank”. 2016 –current.
- Head of Responsible Education Unit, Education Development Center (EDC), Shahid Sadoughi University of medical sciences, 2016-2020.

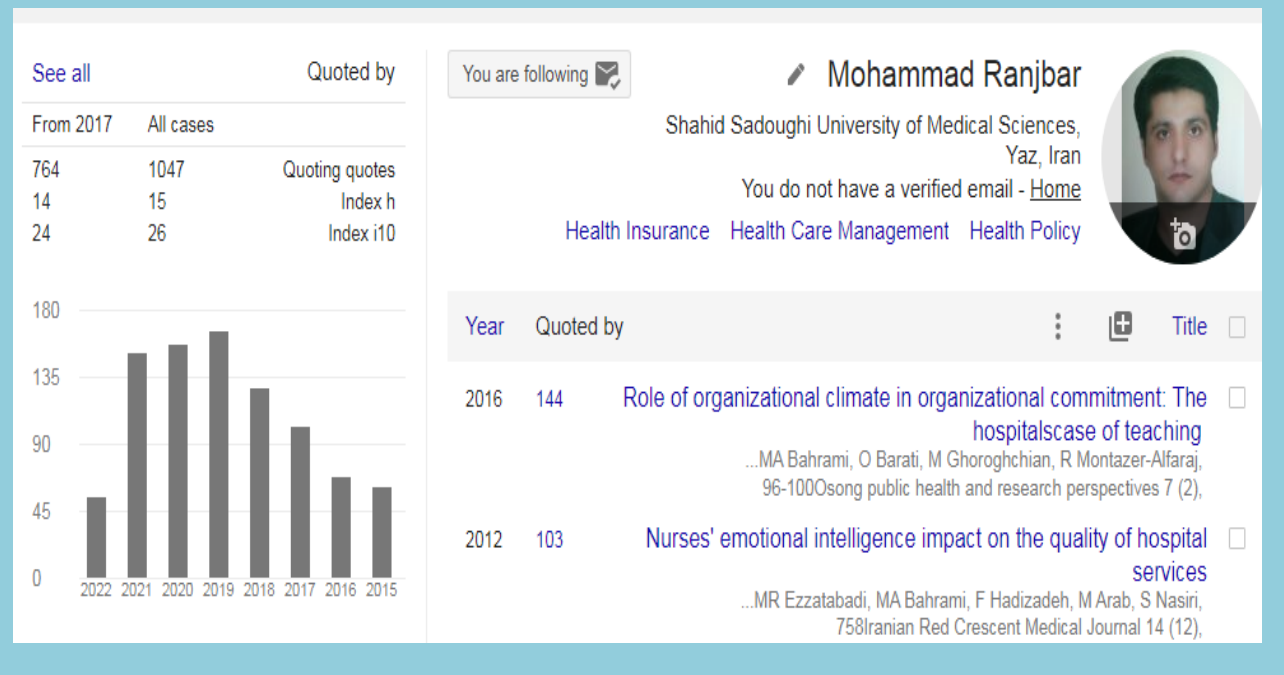

- Member of "health system research (HSR) council", Shahid Sadoughi university of medical sciences, 2018-current
- Member of the Basic Sciences Committee of the Addiction and Behavioral Sciences Research Center, Shahid Sadoughi University of Medical Sciences, 2019-current.
- Member of Scientific Committee of the "National Congress of Financial Resources Management in the Health System". Yazd, Iran, 2019.
- Member of the "Research Council" of Shahid Sadoughi University of Medical Sciences, 2018–current.
- Member of the "budget committee" of Shahid Sadoughi University of Medical Sciences, 2018-current.
- Member of Strategic Committee of Shahid Sadoughi University of Medical Sciences' research centers, Yazd, 2018.
- Member of the "selected committee of the research doctorate" of Shahid Sadoughi University of Medical Sciences, 2018-current
- Member of the "program development committee" of Shahid Sadoughi University of Medical Sciences, 2018
- Head of Scientific Journals Office; School of Public Health, Shahid Sadoughi University of Medical Sciences, 2016 -2107.

##### **5) Some research projects/Grants (Conducting nearly 40 national and local research projects/Grants)**

- Using discrete choice experiment to elicit factors affecting the attitudes and preferences of families' childbearing in Yazd province. Funded by Management and Planning organization, Yazd, Iran, 2022.
- Development of an action plan to move towards the implementation of electronic health records. Funded by Higher Institute of Social Security Research, Tehran, Iran, 2022.
- Using discrete choice experiment to elicit patients preferences for selecting healthcare centers for treatment. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2022
- Evaluation of the effect of Covid-19 pandemic on utilization of basic health services in Yazd by using interrupted time series model. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2022.
- Future study of effective factors in preventing diabetes in Yazd citizens. Funded by Diabetes Research Centre, Yazd, Iran, 2022.

- Eliciting community preferences for different methods of cost sharing in supplementary health insurance by using DCE method. Funded by DAY insurance company, Tehran, Iran, 2022.
- A comparative study of the performance indicators of basic health insurance in Yazd and its relationship with the morbidity rate of the insured during the epidemic periods of COVID 19 disease. Funded by Management and Planning organization, Yazd, Iran, 2022.
- Pathology of the comprehensive health document of Yazd province. Funded by Yazd Provincial government, Yazd, Iran, 2022.
- Investigation of the effect of Covid-19 pandemic on trend of selected hospital indicators using interrupted time series model in Yazd. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2022.
- Investigating the relationship between organizational structure and quality of work life of employees of Shahid Sadoughi University of Medical Sciences in Yazd. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2022.
- Cost-effectiveness Evaluation of Integra Dermal Regeneration Template using Markov model for the Treatment of Diabetic Foot Ulcers. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2022.
- Spatial analysis of access to health services in Yazd using Geographic Information System (GIS). Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2022.
- Assessing the Validity and reliability of the Persian version of the Diabetic Foot Ulcer Scale - Short Form (DFS-SF) in Yazd city. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2021.
- Investigating the Challenges of Private Partnership Partnerships with Public-Based Public-Private Partnership Hospitals. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2021.
- Identification and prioritization of factors related to attracting medical tourists in Yazd city using a systematic review. Funded by School of Public Health, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.
- Analysis of problems in sib system from the viewpoint of Yazd health center staff and subsidiary units and providing a solution - a qualitative study. Funded by Health Policy and Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.
- The Investigation of Self Medication Status and Its Related Factors in School Students of Yazd University of Medical Science. Funded by School of Public Health, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.
- Study of the experiences of Iran health system in management and coping with Covid-19 disease from the perspective of managers and policy-makers. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.

- Investigating of Perceptions in Managers of Teaching Hospitals of Shahid Sadoughi University of Medical Sciences in Yazd of Diversity in Crisis Management. Funded by Health Policy and Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.
- Evaluation of financial burden due to Covid 19 disease in Shahid Dr. Beheshti Taft Hospital. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.
- Assessment of the status of medical accident and medical management center of Yazd province in terms of standards for emergency air and compared to existing standards. Funded by Health Policy and Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2020.
- A Model of medical tourism in Yazd Province with future study approach. Funded by Management and Planning organization, Yazd, Iran, 2019.
- The Inspection between Emotional Intelligence and Conflict Management in Staff Staff of Shahid Sadoughi University of Medical Sciences in Yazd. Funded by Health Policy and Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2019.
- An analysis on the agenda setting of out of pocket reduction plan in the form of health system reform program based on the Kingdom Multiple Streams Model in the Islamic Republic of Iran. Funded by Health Policy and Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2019.
- Investigation of barriers and process of cardiac rehabilitation delivery in Iran: A mixed method. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2018.
- Needs assessment for MD curriculum based on the viewpoints of general practitioners of Yazd province regarding the most important and prevalent diseases, signs and symptoms. Funded by Education & development center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2018.
- Cost-Price estimation of publish an article in journals of Shahid Sadoughi university of medical sciences by using Activity – based Costing technique. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2017.
- Using Discrete Choice Experiment to elicit GP Preferences to Enter Family Physician Plan in Yazd, Iran. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2017.
- Economic Evaluation of Household Waste Recycling in Yazd City Using Cost-Benefit Analysis. Funded by Environmental Science and Technology Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2016.
- Investigating trends and effects of selected health and environmental indicators on health costs in developed and developing countries. Funded by Health Policy Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2016.
- The study of factors affecting the choice of hospitals for treatment in Yazd, 2016. Funded by Hospital Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2016.

- Investigating factors affecting the density of general practitioners in Yazd province. Funded by Health Policy Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2015.
- Evaluation and ranking of barriers to the sharing of treatment errors by nurses of selected hospitals affiliated to Shahid Sadoughi University of Medical Sciences in Yazd using AHP FUZZY and TOPSIS FUZZY techniques. Funded by Student Research Committee, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2015.
- Evaluating the efficiency of university hospitals in Yazd province before and after implementation of health system reform plan. Funded by Health System Research Committee, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2015.
- Using Conjoint Analysis to Elicit GPs' Preferences for Family Physician Contracts in Iran. Funded by Health Policy Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2014.
- The study of the socioeconomic inequity in utilization of healthcare services by Yazdian residents. Funded by Health Policy Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2013.
- Strategic analysis of the quality of services of selected educational hospitals in Yazd using multi-criteria decision making models (DCDM). Funded by Student Research Committee, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2012
- Investigating the Factors Associated with Discharge against Medical Advice in teaching hospitals affiliated to Shahid Sadoughi University of Medical Sciences in Yazd. Funded by Hospital Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2012.
- Non-structural safety assessment of Shahid Sadoughi Hospital in Yazd and its comparison with current standards. Funded by Hospital Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2012.
- Identifying the Challenges of Establishing Clinical Governance from the Viewpoint of Managers and Experts of Shahid Sadoughi Hospital in Yazd. Funded by Hospital Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2012.
- Determining the relationship between employee perception of organizational justice and social accountability of selected hospitals in Yazd. Funded by Hospital Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2012.
- Educational needs of hospital staff for implementation of clinical governance. Funded by Hospital Management Research Center, Shahid Sadoughi University of medical sciences, Yazd, Iran, 2012.
- Patients' satisfaction from hospital services in Yazd teaching hospitals. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2011.
- The study of relationship between managers' thinking style and organizational readiness for innovation in Yazd teaching hospitals. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2011.

- Evaluation of the performance of Shahid Sadoughi and Afshar Educational Hospitals based on Malcom Baldrig model. Funded by Shahid Sadoughi University of medical sciences, Yazd, Iran, 2011

## 6) Abstracts and Presentations

### 1. Public Preferences and Willingness to Pay for Social Health Insurance in Iran: A Discrete Choice Experiment

**Conference title:** 22nd Annual International Conference on Health Economics, Management & Policy

**Location:** Athens, Greece.

**Date:** 19-22 June 2023

**Type:** oral

### 2. Public Preferences and Willingness to Pay for Social Health Insurance in Iran: A Discrete Choice Experiment

**Conference title:** International Conference on Health Economics, Policy, Law and Management

**Location:** Buenos Aires, Argentina.

**Date:** February 20-21, 2023

**Type:** oral

### 3. Identification of retention strategies for neurosurgeons in Iran: results from expert panels.

**Authors:** Ranjbar M, Abdollahzadeh S, Rafiei S

**Type:** Abstract

**Publisher:** Bmj Open, 2017; 7(1).

### 4. Forecasting the shortage of neurosurgeons in Iran using a system dynamics model approach.

**Authors:** Ranjbar M, Abdollahzadeh S, Rafiei S

**Type:** Abstract

**Publisher:** Bmj Open, 2017; 7(1).

## **5. cost control mechanism in health care system**

**Seminar title:** National congress on resources management in health system

**Location:** Yazd, Iran.

**Date:** 27-28 Nov 2018

**Type:** oral

## **6. Agenda setting of the reduce patients out of pocket payment using the Kingston model**

**Seminar title:** National congress on resources management in health system

**Location:** Yazd, Iran.

**Date:** 27-28 Nov 2018

**Type:** oral

## **7. Identification of Retention Strategies for Neurosurgeons in Iran: Results from Expert Panels**

**Seminar title:** 5<sup>th</sup> international society for evidence-based healthcare

**Location:** Tabriz, Iran.

**Date:** 6-7 Des 2016

**Type:** poster

## **8. Forecasting the Shortage of Neurosurgeons in Iran Using a System Dynamics Model Approach**

**Seminar title:** 5<sup>th</sup> international society for evidence-based healthcare

**Location:** Tabriz, Iran.

**Date:** 6-7 Des 2016

**Type:** poster

## **9. Using Conjoint Analysis to Elicit GPs' Preferences for Family Physician Contracts; a Case Study in Iran**

**Seminar title:** international conference of sustainable development

**Location:** Tehran, Iran.

**Date:** 9-11 Sept 2016

**Type:** poster

**10. Safety Evaluation of laparoscopic sleeve gastrectomy compared with two procedures laparoscopic Roux-en-Y gastric bypass and laparoscopic adjustable gastric banding for people with morbid obesity**

**Seminar title:** First International Student Congress of Research Integrity and Evidence Based Practice

**Location:** Tabriz, Iran.

**Date:** 7-9 Des 2015

**Type:** poster

**11. SERVQUAL analysis in Shahid Sadoughi hospital.**

**Seminar title:** National conference of clinical governance and continuous quality improvement. **Location:**

Tabriz, Iran

**Date:** 2013.

**Type:** Lecture

**12. Health master plan development methodology**

**Location:** Ahvaz, Iran.

**Date:** 12-14 April 2011

**Type:** Poster

**13. Analysis of service quality gap in Shahid Rahnamon hospital in Yazd, Iran**

**Seminar title:** 8<sup>th</sup> Annual Conference on Health Services Management

**Location:** Ahvaz, Iran.

**Date:** 12-14 April 2011

**Type:** Lecture

**14. Financial systems in hospital administration**

**Seminar title:** National forum in hospital economics

**Location:** Tehran, Iran.

**Date:** 2011

**Type:** Lecture

**15. The features of costs in hospital**

**Seminar title:** National forum in hospital economics

**Location:** Tehran, Iran.

**Date:** 2011

**Type:** Poster

**16. Designing a model of nurses' emotional intelligence effect on the hospital services quality**

**Seminar title:** Nursing services quality improvement strategies

**Location:** Yazd, Iran.

**Date:** 2011

**Type:** Poster

**17. The role of health education in preventing high risk behaviors**

**Authors:** Ranjbar M, Khabiri F.

**Type:** Abstract

**Publisher:** Toloo-e Behdasht, 2009; 3(4). [In Persian]

**18. Investigating the effect of psychological injuries of computer games on children's health**

**Authors:** Ranjbar M, Entezarian S, Nasiri v, Khabiri f, Hadizadeh F.

**Type:** Abstract

**Publisher:** Toloo-e Behdasht, 2009; 3(4). [In Persian]

**19. The Role of Financing in the Justice and Effectiveness of the Health System**

**Authors:** Ranjbar M

**Type:** Abstract

**Publisher:** Journal of Health Information Management, 2008; 2. [in Persian]

## 20. Payment mechanism in healthcare system

**Authors:** Ranjbar M

**Type:** Abstract

**Publisher:** Journal of Health Information Management, 2008; 2. [in Persian]

## 7) Participation in congress without presentation

- participation in more than 15 national and international congress

## 8) Books

1. Tofighi Sh, Abdi Jh, Ranjbar M, Bahrami MA. **Healthcare marketing: Tools and techniques**. Tehran University of medical sciences publication, Tehran (in production)
2. Bahrami MA, Vatankhah S, Keshmiri F, Ranjbar M, Ahmadi-Tehrani GH. **Performance management in health system**. Kiajour publication, Tehran: 2013. (In Persian)
3. Bahrami MA, Amiresmaili MR, Ranjbar M. **Managing health programs and projects**. Kiajour publication, Tehran: 2013. (In Persian).
4. Farzianpour F, Baziar M, Hosseini M, Shabani GH, Ranjbar M. **U.S. Participation in international health treaties, commitments, partnerships and other agreements**. Mokaab publication, Tehran: 2013. (In Persian)

## 9) Participation in professional workshops

- Participation in nearby 70 professional workshop

## 10) Supervision on Thesis

- Advisor of 2 PhD thesis
- Supervisor or advisor of nearly 25 MSc thesis
- Supervisor or advisor of nearly 40 BSc thesis (project)

## 11) Summary of teaching activities

**Training nearly 90 courses for MSc students such as:** Healthcare Organization and Management in Iran, Healthcare assessment, Management and Organizational Assessment, Resource allocation in health systems, Health policy analysis, Scientific article writhing, Case seminar in health system, Medical Sociology, Article writing and ... .

**Training nearly 140 courses for BSc students such as:** Financial management, Principles of health planning, Health insurance & tariff, Healthcare planning, Medical records, Principles of management, Management and supervision in health care centers and ....

## 12) Research Interests

1. Health policy
2. Health Economics
3. Conjoint Analysis (elicit preferences in health care)
4. Health Insurance
5. Healthcare Financing
6. health equity

## 13) Skills

### 1. Computer Knowledge

Word, Excel, Access, SPSS, Reference Manager, Endnote, STATA and IT and web related software

### 2. Language Skill

#### 2.1 English

Speaking: Good, Reading: Good, Writing: Good

#### 2.2 Persian

Speaking: Native, Reading: Native, Writing: Native

## 14) Hobbies

- Poem
- Traditional music
- Football
